CHANGES TO THE BID EVALUATION PROCESS

NOTE: Participation will be evaluated based on the base bid plus the selected alternates. Whenever possible, participation goals for alternates will be provided with the Invitation to Bid. In the event that alternates have not been identified in the Invitation to Bid, bidders will be responsible for submitting participation for alternates during the participation verification process completed by the Human Relations Council after the bid opening. Contractors will be notified of the participation goals for alternates and the deadline for submitting participation on alternates within one business day of the bid opening. THIS ONLY APPLIES TO ALTERNATES. BIDDERS MUST SUBMIT PARTICIPATION ON THE BASE BID BY THE BID SUBMISSION DEADLINE. If you have questions regarding the changes to the bid process, please contact Andrew Chow at (937) 333-1403.

A bidder must submit a separate form for each goal for which you are requesting a waiver. A bidder requesting a total or partial waiver of the MBE/WBE/SBE or HUD3 Participation Goal must maintain supporting documentation and will be required to provide such documentation within two days of its request. The bidder must provide a written explanation of the good faith effort for all activities listed on the waiver form at the time the bid is submitted. If no explanation is provided, the waiver form will not be accepted. The City of Dayton Human Relations Council (HRC) shall review and evaluate the bidder's efforts to meet and comply with the project participation goal. A bidder will be granted a waiver for the MBE/WBE/SBE or HUD3 goal based on your good faith efforts; and only where the HRC determines that the bidder has completed all items in the following list of activities. In determining whether a bidder has made good faith efforts, the Executive Director of the Council, or his/her designee, may take into account the performance of other bidders in meeting the contract. For example, when the apparent successful lowest and best bidder fails to meet the contract goal, but others meet it, the Executive Director of the Council, or his/her designee, may reasonably raise the question of whether, with additional reasonable efforts, the apparent successful bidder could have met the goal. The waiver request form must be submitted with your bid if you are requesting a waiver of any goal.

Check if completed	Activity Description
	Solicited the interest of all certified MBE/WBE/SBE or HUD3 having the capability to perform the work of the contract. The bidder must solicit this interest at least ten (10) business days before bid submittal deadline in order to allow the MBE/WBE/SBE or HUD3 sufficient time to respond to the solicitation. Electronic communication will not be deemed as sufficient good faith effort, if it is the sole method of communication used.
	Divided contract work items into economically feasible units to facilitate MBE/WBE/SBE or HUD3 participation, even when the bidder might otherwise prefer to perform these work items with its own forces.
	Negotiated with MBE/WBE/SBE or HUD3 subcontractors, and has taken the subcontractors' price and capabilities, as well as the contract goals, into consideration. Rejected MBE/WBE/SBE or HUD3 as being unqualified only with reasons based on a diligent investigation of their capabilities. The bidder's standing within its industry, membership in specific groups, organizations, or associations and political or social affiliations (for example, union vs. non-union employee status) are not legitimate causes for the rejection or non-solicitation of bids in the bidder's efforts to meet the project goal.
	Provided interested MBE/WBE/SBE or HUD3 with plans and specifications at no cost, or directed to, the Minority Business Assistance Center (MBAC) for information about the plans, specifications, and requirements of the contract at least ten (10) business days of the bid submittal deadline in order to assist them in responding to a solicitation.
	Sought the assistance of the Minority Business Assistance Center (MBAC) or used the services of community organizations, contractors' groups, local, state or federal business assistance offices, or similar organizations to find subcontractors certified as (circle one: MBE/WBE/SBE or HUD3).
